Earl who is a financial consultant of Department of Transportation came in to explain the liquid fuels documents and gave us a card if we ever had any questions.

The office will be closed on April 20th and 21st during normal working hours for PSATS conference for both Secretaries. 1. Approve the request from Pohopoco Rod and Gun Club in requesting the use of ponds one and two for our May 9 event. Note that proper signage will be timely placed at both ponds reminding participants that both ponds are under the 15 years and under restriction and the 30 day exclusion of adult fishing. We have had too many participants to safely have 70 or 80 youths fishing in only one pond.
